### Chapter 1 by Nate

In a world where life has or will not exist for awhile. Language is not existent people just speak they learn from early childhood. Writing is for a select few. Only royalty and the very important friend of them learned how to write. In this world called Gallifrey the planet is 4 billion years old and the humanoid species of time lords is young.

There are 7 kingdoms the Time lord kingdom, ogre, elves, demon, dwarve, troll, skeleton. These kingdoms lived in harmony for centuries but, something happened the ogres got greedy and wanted everything for themselves. The kingdoms were forced to choose sides. The time lords, dwarves, elves repented against the ogres. The ogres paid the trolls, to join there side and the skeletons stayed neutral.

### Chapter 2 by Pencil

The skeletons were a passive tribe  
They were happy with what little they  
have

Little meaning only a quarter of a quarter of the land which the other 4 ruled

Despite this their agriculture and technology flourished

In fact there were the only area with such technology

Their progress was only slow

They weren't hardworking

Nor were they cunning
